

Willie

Willie

As you probably know, my wife and I adopted a dog from hart. I cannot express the joy that Willie brings to our family everyday.

When we had to put one of our dogs down, it was a very sad time for my wife and I. Kristi was my favorite girl and there was an empty spot left in my heart.

The main reason that we decided to get another dog was that losing Kristi caused our other female, Kira, to become depressed.

In the past we have always bought pure bred dogs from breeders. This time we felt that we should provide a forever home to a dog in need of a home.

We found Willie on hart's website and made contact. They were some of the finest people we had ever met and we were very impressed with their procedures for placing animals in need so that the animals would go to a good home.

We love Willie very much and he is happy living the country. He gets love and attention and the respect that we all deserve.

I wish you success in bringing this problem of stray and abandoned dogs to the awareness of more people.

Thank you, Jerry
