

Bacchus

Just wanted to send you one more update of our handsome boy. He's such a delight, we're so thrilled to have in our family and he's adored by everyone who meets him. He's starting puppy daycare this week and he's very excited about it. Bacchus is now 7months old and has grown to be quite tall and weighs about 65 lbs. He wanted me to say hello to you and to thank you for taking such good care of him. Have a wonderful week.
