

Polar Then and Now

Meet Polar. One of ten pups that came to HART at only three days old, along with their mom, Suzy Q. Polar is doing exceptionally well, and is growing into a handsome little man. Polar loves to be outside and will spend hours taking in nature when given the opportunity. He is quite curious playing with his friends at the dog park and turns himself insideout with excitement when he visits the doggie daycare. He has found his soul mate in his big brother Maverick, proving that two is better than one. All in all, Polar has no idea how lucky he is to be a HART rescue!
